CHIEF SECRETARY.

R. Ranga Rao, Esq.,B.A.,B.L.,
Secretary to Government, General Department,
Bangalore.

SIR,

I have the honour to state that in the revised budget of this department issued with Government Order No.G.2318-19/Census 8-31 dated the 14th September 1931, provision was included for some tempora establishment for final verification of subsidiary tables, and prepara tion of figures for the report, and work connected with the printing of the report and tables. (Vide last item "december to March" under the 6th head Abstraction Office Establishment in the statement handed in by me on which the revised budget was based). As the Comptroller has been raising objections to various details for want of specific sanction, I have looked through the orders of Government and find that clear mention has not been made anywhere of the small establishment that might have to be continued till the printing work is over. M of the establishment was disbanded at the end of last month and 24 compilers and 3 supervisors retained during February 1932. 12 mor compilers will be disbanded from to-morrow and only 12 compilers and 3 s visors retained for further work. I have the honour to request tha sanction of Government may kindly be obtained to the retention of th establishment above indicated during February and of the reduced est blishment during March and further months until the work permits of their being disbanded also. Existing provision for tempoarary est blishment in the budget is likely to be sufficient; but if necessi should arise a reappropriation of grants will be proposed.
